

October 25th – 26th 2025
Observation and Drawing Course

The cosmic forces of light and darkness/warmth in the world around us create atmosphere, color and form. We will try to experience these phenomena in our surrounding through exercises in perception and drawing to understand how our sense organs relate with these processes.

Technique: Perception exercises in light and darkness with charcoal
Perception exercises with color pencils and soft pastels

Dates: October 25th – 26th , 2025

Time: Saturday 9,30- 12,30 14,00 – 17,00 Sunday 9,30- 12,30

Costs: Participation fee is € 140,00, materials included

Teachers: *therapist with Liane Collot D'Herbois method*

The seminar will be held at the headquarters of Associazione Ente formativo Scuola Terra di Siena in Via Nardo di Cione 9 – Firenze.
